

National Association of Small Boat Owners (NASBO)

Country: Iceland

Mission: To increase the fishing rights of the small scale fleet, and work on all related issues for NASBO's members

Vision: To have authorities recognize the importance of the small scale fisheries in context with economic, social and environmental aspects.

Objectives:

- Increase fishing rights for NASBO's members.
- Inform the public about the benefits of the small scale fisheries
- Assume a leading role in the international fishing sector arena
